ABOUT US

Who we are

Hamayel Al-Khair For Diamond Project is an Omani commercial establishment founded in 2016. We operate through licensed trading and supply activities covering machinery and equipment, industrial and construction-related equipment, marine and port equipment, water pumping equipment, environmental pollution-control equipment, road-service equipment, office supplies and automotive spare parts.

Organisations work with us for responsive sourcing, commercial coordination and delivery support across the Sultanate of Oman.

CR number 1242880	Established 28 Jan 2016	Legal type Individual Firm	Status Active
